Dear Sir:

USF Filtration & Separations Group Inc., the owner of 100% interest in the instant application, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 of U.S. Patent Application No. 09/336,059, which was filed on June 18, 1999, and which issued on April 29, 2003 as U.S. Patent No. 6,555,005, of which USF Filtration & Separations Group Inc. is the owner of 100% interest. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and U.S. Patent No. 6,555,005 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in Title 35 of the United States Code, including the term as defined in 35 U.S.C. §§154, 155, 155A, 156 and 173 of U.S. Patent No. 6,555,005, in the event that it later (1) expires

Appl. No. : 10/042,128

for failure to pay a maintenance fee, (2) is held unenforceable, (3) is found invalid by a court of competent jurisdiction, (4) is statutorily disclaimed in whole or terminally disclaimed under 37 CFR § 1.321, (5) has all claims canceled by a reexamination certificate, (6) is reissued, or (7) is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is the attorney of record.

Respectfully submitted,
